

# JOIN US IN HONORING THOSE AFFECTED BY THE **BOSTON** MARATHON TRAGEDY

On April 29th,  
Tin Roof 2 will be donating  
100% of its profits to  
BeStrongStayStrong and  
AmputeeBladeRunners  
of Nashville who in turn will be  
allocating 100% of our donation  
directly to the funding of a  
prosthetic limb and associated  
expenses for Erika Brannock.  
Erika lost her lower leg while  
cheering her mother across the  
Boston Marathon finish line. We  
look forward to running alongside  
Erika in victory with your help!

Thanks 100%
